PROFILE

I'm a frontend developer with a passion for clear and understandable code. I have experience in working directly with clients, which taught me the importance of prioritizing user-friendly designs. Currently, my focus is on React, Next.js, and I'm enhancing my skills in TypeScript. Outside of work, I'm enthusiastic about Brazilian Jiu-Jitsu, reflecting my dedication to continuous improvement in all aspects of life.

SKILLS

JAVASCRIPT	TYPESCRIPT	HTML
REACT	NEXTJS	GIT
SCRUM	RESPONSIVE	CSS
VUE	REACT NATIVE	

EXPERIENCE

Frontend Developer

Mirumee / 09.2022 - present
